Resources for Ministry in the UK

How, then, can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard? And how can they hear without someone preaching to them? (Romans 10: 14)

As Christians, we believe in welcoming all, building friendships and sensitively sharing our Faith, in obedience to Christ’s command in Matthew 28:19. The materials below have been recommended by Christians from various UK networks and denominations and we hope they will help you to relate to other people of different faiths and cultures. The inclusion of materials in this list does not necessarily imply that they have been read by Global Connections or endorsed by Global Connections. Where prices are given, please note that we cannot guarantee that they are correct and postage and packing costs may be added to any order.
