Arabic

**GDP (PPP) per capita:**

\$46,475 (2017)

**Life expectancy:**

73 years

**Religions:**

96% Muslim, 4% other religions

## Prayer points

**Forgiven not condemned**

A young married woman recently revealed to our Arabic partner that she had betrayed her husband and wanted to repent. Jesus didn't condemn the woman caught in adultery, but rescued and saved her. After praying, she gave her life to Christ. Pray for her and others like her. (Reach Beyond - February 2019)

**Impact of social media**

Social media is having a big impact on Oman. This gives great opportunities for sharing Christ with the people of this country. Ask the Holy Spirit to break through into people's lives. Pray especially for the young people. Many study abroad and this often gives them opportunities to hear the gospel. There are several known believers in Oman, scattered throughout the country. There are also secret believers too. Pray for God to draw believers together for fellowship and encouragement. May they be strong in their faith, rooted in God's Word, and bold in sharing the gospel with their families and friends. (Arab World Ministry of Pioneers - November 2012)
