

And the rain came down and the floods came up....

Despite all that, a great week was had by all. 28 children, from 12 countries, and 11 leaders gathered in the Peak District for reconnect kids 2019.

Between the rain we still managed to have a fun packed week, out and about for village treasure hunt, a BBQ, a campfire, den building and pond dipping. Swimming was a great success, and giant bubbles were fun for all. Indoors we made rockets, salt crafts, friendship bracelets and memory books.

But as usual the best moments were the times when we talked about being a TCK. From our 'best part about being a TCK' came 'you get to adventure the world', and from the hardest: 'fitting everything in your baggage allowance!'

We also had –

'too many goodbyes;'

'missing Grandparents;'

'delicious food'

'having a secret language in your family;'

'leaving friends behind;'

'not knowing what is going to happen next.'

'plane food' - (you can decide if that was a positive or negative!)

Our Bible study through Ruth helped the children to see how God works in us as we trust him in the middle of transition.

Window On the World (WOW) is a special time as each family shares from the heart something about their life overseas.

One parent said: ***"Thanks for the wonderful experience you gave the children. They had such a great time and really seemed to benefit from all the teaching and discussions."***

A huge thank you to all those who have supported reconnect financially, practically and in prayer this year.

Next year marks a big change, reconnect kids is moving venue. This will require some new ideas and activities, and some different planning, so do please pray for us all as prepare for the future. We are looking forward to 2020!

reconnect 2020

kids: 27 - 31 July

**Dovedale House, Ilam,
Near Ashbourne, Derbyshire**
