**A Wind in the House of Islam**

*There are nine rooms in the House of Islam. A wind is blowing through every one of them.*

*A Wind in the House of Islam* explores the stories of more than 1,000 Muslim-background followers of Jesus Christ from each of the nine rooms in the House of Islam. Join Dr. Garrison in this amazing journey of discovery, tracing the work of the Holy Spirit as it blows through the House of Islam.

David travelled a quarter-million miles into every corner of the Muslim world collecting interviews from more than a thousand former Muslims who have given their lives to Jesus Christ.

These Muslim-background believers were interviewed because they were part of larger movements of Muslims to Christ in their communities. He asked them, "What is your story? What did God use to bring you to faith in Jesus Christ?" Along the way, Garrison discovered that we are in the middle of the greatest turning of Muslims to Christ in history. These historic movements are taking place all across the Muslim world, from West Africa to Indonesia.
