

**Between Naivety and Hostility**  
– uncovering the best Christian  
Responses to Islam in Britain

Some three years in the making and many hours in the developing, this book is a collection of thought-provoking essays on topics essential to all whose lives bring them into contact with Muslims and who wish to be able to understand their Muslim friends and their backgrounds. This book, edited by Steve Bell and Colin Chapman, contains the wisdom and experience of twenty recognised Christians who are involved in Muslim-Christian relations in Britain. The hard issues are addressed head-on and we are shown how to avoid naivety and hostility by acting Biblically and in the spirit of Jesus Christ.
