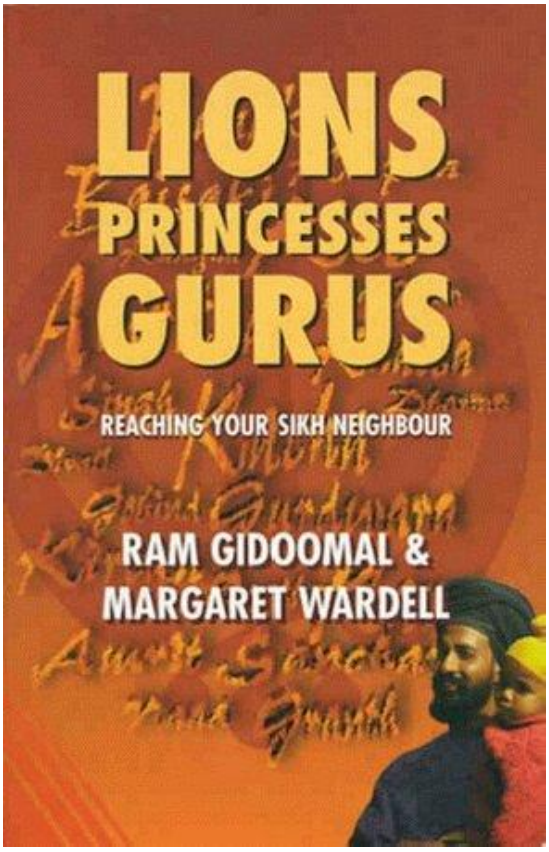
Lions, Princesses and Gurus

Reaching your Sikh Neighbour



An excellent way of learning about Sikhs, their beliefs and customs, this small paperback by Ram Gidoomal and Margaret Wardell is packed with helpful information presented in an informal and easy-to-read setting.

From the South Asian Concern website:

Almost half those of Indian ancestry living the UK are Sikhs. Find out about their beliefs and the challenges of adaptation to culture in the West. Equips you to befriend and reach out to them.

Available from South Asian Concern, price £3
