

# Come Follow Me 2017 Edition

***A unique discipleship course for Believers of Muslim Background, available now in multiple languages.***

The **Come Follow Me discipleship course** for new believers, has now been published in multiple languages, including Arabic, Farsi, Dari (Afghan Persian), Bengali, Central Asian Russian, German and an updated English edition for 2017. Other translations are underway.

Author Dr. Tim Green, has enjoyed friendships with Believers of Muslim Background (BMBs) for nearly forty years in many countries. He has walked with them, seen their struggles and learned much from them. The Come Follow Me course has been over ten years in the making as it was field-tested in different countries. It is designed to be **relevant** to BMBs' issues, **rooted** in God's word, and used in a **regular, relational** way (1:1 or in a group). It is also **reproducible**, so that the learners can disciple others in turn.

The different language versions can be used independently or in mixed language settings. A diaspora version is being developed in partnership with Interserve.

The website [come-follow-me.org](http://come-follow-me.org) explains the course method and gives information on how to order the study book in different languages. It is important to read the Advisor's guide; it can be downloaded free in English, German, Arabic, Farsi and Central Asian Russian, and is available as a book in some languages. Here's what people say:

***An experienced disciple-maker in Germany:*** "We translated and used several Bible courses for Muslim Background Believers, and after years I find yours the best."

***A group of Afghan refugees in India:*** "The strength of this book is that every brother and sister, young or old, has the opportunity to freely share their thoughts, questions, problems and pains – as they've experienced in their lives..."

***A believer of Muslim background in Bangladesh:*** "It's a very effective course to help our participants grow spiritually. Come Follow Me is really a good course for every believer in our country."
